The Robert M. Berne Cardiovascular Research Center Presents

**Anh Nguyen, PhD**

**Affiliation:** Cardiovascular Research Center, UVA Non-Licensed Intermediate Clinical Research Coordinator

---

**Clinical Research Coordinator as an Alternate Career Path for the PhD**

Are you a soon-to-be PhD or current post-doc and want to know what else is out there besides the traditional PI academic and industry routes? Come learn more about being a Clinical Research Coordinator and how a PhD can make valuable contributions to bring science from the bench to the bedside in translation/clinical research.

**Thursday January 17th, 2019**

11:00 AM-12:00 PM

MR5 3005
